Dear Mr. Robison:

The Trust Lands Administration accepts your \$5,000 bond, CD 2050987, for mining operations approved upon one acre of land under the above numbered leases. Upon satisfying all DOGM requirements you may commence operations.

I understand that you will notify the Trust Lands Administration and post additional bonding prior to exceeding one acre of new surface disturbance.

Please ensure that production statements and royalty payments are submitted on a timely basis. Please contact me should you have any questions in this regard.

Thank you for your cooperation in the permitting process.

Sincerely,

JOHN T. BLAKE
